Kimberly Noel Kardashian
and
Kanye Omari West

Birth Data for Kimberly Noel Kardashian:

Kimberly Noel Kardashian
October 21, 1980
10:46 AM
Los Angeles, California

Birth Data for Kanye Omari West:

Kanye Omari West
June 8, 1977
12:00 PM
Atlanta, Georgia

ASTROLOGY REPORTS
www.celestialaffairs.com
Your magical portal to the kingdom within

This Lovers Report is divided into 4 chapters.

Chapter 1 compares your temperaments and personalities. The issues described in Chapter 1 become particularly powerful if you are married or live together. Idiosyncrasies or quirks in another person's personality do not bother us as much if our relationship is a casual one. For example, if one person is neat and tidy and the other is sloppy, this is more likely to become a concern if you are married than if you are only seeing each other occasionally.

Pay close attention to the issues described in Chapter 2 because these are the most important themes in your relationship. For example, if themes of romance and sexual attraction are emphasized, then you can count on this relationship being a passionate one. However, if romance and sexuality are hardly mentioned at all, then this relationship will not be a passionate one. Note also that the material in Chapter 2 is presented roughly in order of importance, so that the material presented at the beginning of Chapter 2 is the most powerful.

Chapter 4 describes issues in your relationship of less importance than those presented in Chapter 2. Chapter 3 describes situations and circumstances that arise if you have a close, long-lasting relationship.

If a statement appears to contradict another statement, then your roles are likely to alternate. For example, a statement that Kimberly Noel Kardashian is more aggressive than Kanye Omari West, and another statement that Kanye Omari West is more aggressive than Kimberly Noel Kardashian, means that you alternate roles, with Kimberly Noel Kardashian sometimes being the leader and Kanye Omari West being the follower, and sometimes just the opposite. Also, read the statements carefully, as it is likely that a careful reading will reveal different kinds of aggressiveness or areas in which the aggressiveness is likely to express itself.

To make the most of this report, combine this astrological analysis with other things that you know about each other. For example, we have assumed that you are opposite-sexed (assuming that both of you are heterosexual, otherwise same-sexed). Physical attractiveness, age, religion, education, family and cultural background will affect your relationship as well. The material in Chapters 2, 3, and 4 of this report describes the magnetism between you, but does not describe your individual natures. For example, suppose that Chapter 2 makes little mention of romance and sexuality, but the Natal Reports for each of you indicate that each of you has extremely strong romantic and sexual desires. In this case, marriage is not likely to be successful! However, if romance and sexuality are not important to either of you, then the lack of passion in your relationship is not likely to be as much of a stumbling block.

Your birth chart interpretation is based on the positions of the planets at the time of your birth. For the benefit of students of astrology, these positions, along with other technical information, are listed below:

Positions and Data for Kimberly Noel Kardashian:

Sun position is 28 deg. 29 min. of Libra
Moon position is 28 deg. 09 min. of Pisces
Mercury position is 19 deg. 48 min. of Scorpio
Venus position is 19 deg. 36 min. of Virgo

Chapter 1
A Comparison of Temperaments and Life Styles
that Affect Your Ability to Harmonize with Each Other

Kimberly Noel Kardashian's Sun in Libra and Kanye Omari West's Sun in Gemini:

You have an excellent mental rapport, and you enjoy one another's intelligence, wit, and style. Both of you are very social creatures who thrive on interaction with people, cultural activities and conversation. Your match is likely to be a very egalitarian one, for you both want a partner who is an equal and a friend above all else.

Kimberly Noel Kardashian is very considerate, has a strong desire to please Kanye Omari West (or any partner) and will compromise readily; Kimberly Noel Kardashian always sees numerous possibilities or desirable alternatives, and you both have trouble being decisive or making up your minds sometimes.

Kimberly Noel Kardashian's Moon in Pisces and Kanye Omari West's Moon in Pisces:

You are very sympathetic toward one another and may have an unusually close emotional or psychic tie. Both of you are dreamy, romantic, receptive, and strongly affected by others' emotions and the emotional tone of your surroundings. You need to avoid negative or abrasive people, for you quickly absorb those feelings and are adversely affected by them. Escaping into solitude, fantasy and imagination (or more negatively, drinking or drug use) may be a habit with both of you.

Both of you are very compassionate and giving, sometimes unwisely and indiscriminately so. Others can take advantage of your tenderheartedness. You may try to rescue someone from a bad situation or a bad habit, only to find yourself victimized or a martyr to the cause. You may try to do too much for everyone else, and end up completely drained.

Because you are so alike, you understand one another's sensitivity and weaknesses very well. Remember, what you don't like about your partner is probably the very same thing you don't like about yourself!

The calming effect of living near a lake or ocean suits both of you well. Music is also a shared love of yours.

Both of you have Sun in hard aspect to Moon:

Both of you fight with yourselves at times, or get confused about what you really want or need. This internal tension, or the conflicting needs and wants within each of you, is apt to spill over into any or all of your close relationships at times. So beware of blaming your problems on one another, or on your relationship. Quite often it is simply a problem within yourself.

Constant togetherness most likely will not work well for the two of you. Both of you need to have time for yourselves which enables you to "do your own thing" or depart occasionally from your day to day mode of operating. This is absolutely necessary for emotional refueling - and will add to the health of your relationship.

Both of you have Moon in hard aspect to Jupiter:

Both of you share a taste for lavishness, ease and comfort, and have trouble limiting yourselves, staying within a budget, knowing when to say "no". Overeating, overspending, wastefulness, a disinclination to strenuous self-discipline, and/or emotional self-indulgence are your common "vices". However, you are both generally cheerful, forgiving, tolerant and easygoing, and thus easy to be around.

You may reinforce one another's tendency to lack firmness and restraint, but you'll still enjoy one another's company.

Chapter 2

Major Themes in the Relationship: What Brought You Together

Kanye Omari West's Sun Opposition Kimberly Noel Kardashian's Neptune:

You see each other in idealized or romanticized terms and often fail to see each other realistically. You also evoke sympathy, self-sacrifice, and higher ideals from each other, but again there is a strong tendency to be unrealistic in your perceptions and expectations of each other. Bitter disappointments and a loss of trust and confidence in one another can arise. To prevent this from happening, you both must strive to be scrupulously honest with each other, and refrain from "playing games", exaggerating or hiding things from one another. If handled positively, this astrological influence can inspire higher ideals and altruism in both of you.

Kimberly Noel Kardashian's Asc. Conjunct Kanye Omari West's Neptune:

The two of you have a very strong psychic or telepathic link, and there is a great deal of sensitivity, empathy, and understanding between you. Idealism and devotion are important elements in your relationship and both of you may gladly give or sacrifice much for one another. Kanye Omari West encourages Kimberly Noel Kardashian to be receptive and somewhat passive. Kimberly Noel Kardashian is easily swayed by Kanye Omari West's emotions and moods, and this may be confusing or overwhelming, especially if Kimberly Noel Kardashian doesn't have a solid sense of self. Kanye Omari West, on the other hand, idolizes Kimberly Noel Kardashian, and may have a very inaccurate picture of Kimberly Noel Kardashian's true nature and needs. Also, both of you may be very indirect or subtle in your communications. Strive to be straightforward and clear with one another.

Kimberly Noel Kardashian's Asc. Opposition Kanye Omari West's Jupiter:

Kanye Omari West is of great benefit to Kimberly Noel Kardashian in some way: opening doors, offering opportunities to expand and grow, and bringing Kimberly Noel Kardashian into contact with other people or an entirely new world which will enrich Kimberly Noel Kardashian's life. Kanye Omari West also gives generously to Kimberly Noel Kardashian emotionally, materially, or both.

There is a high level of trust and acceptance between you which makes this relationship very nourishing and fulfilling for you both. Marriage or any cooperative endeavor is likely to be very successful.

Kanye Omari West's Moon Opposition Kimberly Noel Kardashian's Venus:

The love you feel for each other has a particularly sweet, romantic quality that draws the two of you together. You evoke the tender side of each other, and you simply love doing things for each other and giving gifts to one another. Your love for each other is very strong. Because you care for each other so much, you can also hurt each other's feelings rather easily.

Kanye Omari West's Mercury Opposition Kimberly Noel Kardashian's Uranus:

You tend to be impulsive and impatient with each other, and misunderstandings can suddenly spill into

arguments. You may feel that your partner is not reliable, makes impulsive promises or blurts out things very tactlessly. You can make each other nervous or uptight, for there is a tendency to rush or go at a frantic pace when you are together.

Kanye Omari West's Sun Square Kimberly Noel Kardashian's Venus:

Kanye Omari West is very much aware of Kimberly Noel Kardashian's beauty or attractiveness and finds Kimberly Noel Kardashian very persuasive and appealing. However, your personal styles, tastes, and preferred leisure activities are often not in harmony, and you need to make adjustments and allowances for one another's differing personal tastes and desires.

Kimberly Noel Kardashian's Asc. Trine Kanye Omari West's Saturn:

Kanye Omari West is a stabilizing force in Kimberly Noel Kardashian's life, and offers steady, quiet support when Kimberly Noel Kardashian is in need. Kanye Omari West may help Kimberly Noel Kardashian build a firm foundation and long-term security for Kimberly Noel Kardashian's life. It is easy for you to be committed to one another, both as friends and as lovers.

Kanye Omari West's Asc. Sextile Kimberly Noel Kardashian's Sun:

There is a pleasant, harmonious quality to your relationship that makes the two of you really enjoy your times together. Whether you are talking, playing, or taking care of daily chores together, you find that you invariably appreciate and enjoy each other's company. Regardless of whether your romantic relationship is permanent, you will always be good friends.

Kanye Omari West's Moon Square Kimberly Noel Kardashian's Neptune:

You spark each other's imagination and fantasies, but the tendency to deceive each other is also very strong. You fascinate and intrigue each other, clouding your vision and causing you to often misunderstand each other. For example, you tend to project fantasies and hopes on each other - this is not necessarily bad because these fantasies can become a rich source for imaginative, inspiring works of art or music. Do not rush into a serious relationship too quickly, though, because you need time to make sure that you haven't got caught up in a romantic, idealistic vision of each other, from which you will later wake. If either of you has a major problem of a psychological, alcohol-related, or drug-related nature, this relationship can become a partnership in dissolute, self-destructive, negative habits.

Kanye Omari West's Moon Trine Kimberly Noel Kardashian's Mercury:

You enjoy long talks and you feel very much at home with each other. You are able to openly share your feelings about various issues, whether they are political, religious, or personal in nature. You will find that as you spend more time together, your tastes, interests, hobbies, and activities tend to blend together harmoniously. The feeling of friendship and inner understanding of each other is very satisfying and of a very positive nature.

Kanye Omari West's Mercury Trine Kimberly Noel Kardashian's Jupiter:

Communication is open and harmonious. You are able to help each other incorporate new ideas and expand your perspective. If you have a close, long-lasting relationship, you will develop similar political, social, religious, and philosophical views. The similarity in your overall perspectives on life helps the two of you feel very happy to share your lives together. Your overall beliefs and aims are in harmony.

Chapter 3 Destiny and Final Outcome of Your Relationship

Composite Sun Quincunx Moon:

There is an ongoing sense of friction between you. One or the other will continually be putting on the brakes or preventing the two of you from proceeding full speed ahead in your joint ventures. An unexpected, unplanned for, unintentional burden (financial, health, or otherwise) which one of you brings into the relationship may consume a tremendous amount of your energies. A feeling of being "stuck" or even one of failure may arise. Certainly overcoming or enduring these difficulties is a part of the challenge and reason for your coming together.

Composite Sun Conjunct Mercury:

Yours is an intellectual relationship, among other things. Exchanging thoughts, studying together, sharing information, talking and bantering, turning one another on to new books or ideas, sparking one another's curiosity and interest in the world - all of these are important aspects of your relationship. A certain detachment and the ability to think about and talk about what is going on between you are also highlighted. Put simply, becoming more conscious or more informed and educated is a significant reason the two of you are drawn together.

Composite Moon Quincunx Mercury:

Part of the essential nature of your relationship entails having to deal with constant static or interference in your communications with one another. This may come in the form of meddlesome family members or in-laws. You'll find talking about things that are emotionally important to you rather awkward or difficult, but necessary. Emotionally-based prejudices, biases, and beliefs color your communication with one another quite a lot, and it takes effort to disentangle actual fact from simply your feelings about a matter. Petty bickering can be cleared up if you learn to discuss what's really behind it - the invisible attitudes or unspoken needs. Becoming aware of these will be especially important in your relationship.

Composite Sun Opposition Mars:

You bring out the warrior in one another, and without intending to, you both polarize against one another. While not exactly enemies, you often pit yourselves against each other as opponents, sparring partners, challengers to each other's strength. The most you can hope for is to spur one another on to creative accomplishment, but frequently you end up battling and vying for position and dominance. Avoid being too abrasive and aggressive toward one another. You'd do well to try to reinforce one another's strength, courage, and fighting spirit without directly engaging in ego conflicts. Anything you attempt cooperatively is apt to be tense and volatile at times. A pressure to compete and perform is part of the essence of this relationship.

Composite Mercury Opposition Mars:

There is a marked tendency toward argumentativeness and sharp words between you which will need to be worked with if it is not to become an overriding dynamic in your relationship. Petty bickering and insistence on doing things in your own ways can even lead to minor accidents, especially when traveling together. Long distance automobile rides may be especially irritating.

One of the purposes of your relationship is to learn how to honestly discuss conflict and how to assert and communicate your personal desires. If you can find ways to do this without alienating or warring with each other,

you will have fulfilled one of the functions of your being together.

Composite Mars Square Uranus:

An intense quality of impatience, and an inability to wait, or restrain or thoughtfully consider your actions, are innate aspects of this relationship. "I want what I want and I want it NOW!" is the feeling you will both have. There is an impulsive, rebellious, dare-devilish, I-can-do-whatever-I-want quality which infuses your relationship with excitement but also makes it unpredictable and unstable. If either of you has a problem with temper or a tendency toward violence, unfortunately this will be acted out in sudden and erratic ways. Even if you don't have these tendencies, you two can be dangerous together because you make one another reckless. You can be wild and free together -but also very defiant and easily provoked.

Sexually there is an electric excitement and energy between you that comes and goes. You are apt to be highly adventurous -if not downright deviant - as sexual partners. Unless other factors indicate otherwise, however, tenderness and softness may be lacking.

Composite Mars Sextile Neptune:

Joining with like-minded others for community service, charitable work, volunteer activities, and the like is one feature of your relationship. Actively doing things without selfish reward will help to fulfill, at least in part, the purpose of your relationship.

Avoid associating with people who have unhealthy dependencies and who don't want to better themselves, because this can sap your energies considerably.

Composite Mars Trine Pluto:

Whatever the two of you do together will be done wholeheartedly with great zeal and passion. You could develop a mutual obsession with some interest or activity, and pour all of your combined energies into it. What you can accomplish together is awesome. As a couple you may well have more ambition than either of you does singly.

The sexual energies between you are very strong and vital, very intense, very involving. When you want to be together, nothing will stop you. The healing, transformative, regenerative energies that are created in a fulfilling sexual relationship will be very much an aspect of this union.

Chapter 4 Other Themes in Your Relationship

Kimberly Noel Kardashian's Sun in Kanye Omari West's 3rd house:

Kimberly Noel Kardashian openly shares thoughts and ideas with Kanye Omari West, and the two of you love to share ideas, perhaps even gossip together.

Kanye Omari West's Sun in Kimberly Noel Kardashian's 7th house:

Although you have opposite personalities in some ways, you complement each other well and both of you

enjoy having a partner that takes care of many of the things that you prefer to avoid.

Kimberly Noel Kardashian's Moon in Kanye Omari West's 8th house:

As your relationship develops, a powerfully emotional bonding develops. Your feelings for each other are intense and can also be rather complex. Jealousy is possible and if things go wrong, you can hate each other with the same intensity that you once loved each other. If you marry or pool your resources but later separate from each other, you will have an extremely difficult time disentangling your mutually owned property, and you are likely to argue intensely over proper division of your joint assets.

Kanye Omari West's Moon in Kimberly Noel Kardashian's 3rd house:

There is a natural smoothness and ease with which Kanye Omari West can express ideas and concern to Kimberly Noel Kardashian, which fosters a warm friendship between you.

Kimberly Noel Kardashian's Mercury in Kanye Omari West's 3rd house:

The two of you love to chat, and often it requires effort for the two of you to be together without talking, even if there is little to discuss. Try to avoid the tendency to gossip with each other.

Kanye Omari West's Mercury in Kimberly Noel Kardashian's 6th house:

You enjoy tackling practical chores together. Kanye Omari West, in particular, provides Kimberly Noel Kardashian with lots of ideas on how to maintain health, property, and efficiently run daily affairs.

Kimberly Noel Kardashian's Venus in Kanye Omari West's 1st house:

Regardless of how others view Kimberly Noel Kardashian, Kanye Omari West finds Kimberly Noel Kardashian to be a very attractive and a beautiful person. Kanye Omari West sees a great deal of charm and sweetness in Kimberly Noel Kardashian and is willing to go to great lengths to please Kimberly Noel Kardashian.

Kanye Omari West's Venus in Kimberly Noel Kardashian's 5th house:

Dancing, moonlit nights, and other romantic activities are likely to be a very important part of this relationship. There is a fresh, joyous quality to the love you share.

Kimberly Noel Kardashian's Mars in Kanye Omari West's 4th house:

For better or worse, Kimberly Noel Kardashian gets under Kanye Omari West's skin. Kimberly Noel Kardashian may infuriate, excite, inspire, and sexually arouse Kanye Omari West, perhaps even all of these at the same time! If you live together, Kimberly Noel Kardashian will do much to maintain the home, but both of you must be careful to accommodate your partner's tastes and concerns and try not to overpower your partner, especially when domestic issues are involved.

Kanye Omari West's Mars in Kimberly Noel Kardashian's 5th house:

The two of you make a great match for games, especially outdoor sports. Kanye Omari West also encourages Kimberly Noel Kardashian to develop creative talents, and you may become involved together in creative projects.

Kimberly Noel Kardashian's Jupiter in Kanye Omari West's 2nd house:

Kimberly Noel Kardashian helps Kanye Omari West in very practical, tangible ways. Even if Kimberly Noel Kardashian is not particularly wealthy or generous, circumstances are likely to arise where Kimberly Noel Kardashian is able to provide Kanye Omari West with material benefits and practical assistance.

Kanye Omari West's Jupiter in Kimberly Noel Kardashian's 7th house:

Kimberly Noel Kardashian feels buoyant and outgoing in Kanye Omari West's presence, enjoys talking and doing almost anything with Kanye Omari West. Cooperation and optimism are high in this relationship and you can count on having a very upbeat and outgoing relationship most of the time.

Kimberly Noel Kardashian's Saturn in Kanye Omari West's 2nd house:

Handling of finances is a major issue in your relationship, especially if your relationship is a permanent one. Deciding how to increase income, how to wisely spend money, and how to develop financial security becomes a big issue, and major problems can arise if either of you ignores or overlooks your partner's point of view in these matters. You will learn a lot about handling money and resources and how to develop material security in this relationship, and hopefully any difficult lessons will not cause serious regrets. Kimberly Noel Kardashian, in particular, should be wary of the tendency to be overly critical of the way that Kanye Omari West handles finances and should try not to interfere too much with Kanye Omari West's decisions in this regard. Kanye Omari West should try not to be overly sensitive to Kimberly Noel Kardashian's suggestions and should try to extract the useful, valuable suggestions and ignore the rest.

Kanye Omari West's Saturn in Kimberly Noel Kardashian's 8th house:

If you are married or live together, you will find that finances and management of resources become a significant issue in your relationship. Kanye Omari West is likely to be hesitant to freely provide and give as willingly as Kimberly Noel Kardashian would like. One of you often wants to keep certain assets owned individually and is unwilling to share them. The problem may be more subtle also, and one of you is likely to feel at times that the other is selfish and unwilling to share, even if you cannot defend your reasons for feeling this way. You are also likely to find that attitudes towards sexuality and love-making are different, and your moods are not always in sync with each other. You may wish your mate were more sensitive, or more aggressive (or less aggressive), more romantic (or less romantic), etc. On the other hand, if both of you are able to avoid the tendency to be selfish at times and withhold feelings, you may find that you are able to overcome old habits of extravagance, poor judgment and lack of discernment in financial matters. Illusions about romance can also be replaced with more realistic views.

Kimberly Noel Kardashian's Uranus in Kanye Omari West's 3rd house:

There is a spontaneity and quickness to your communications that allows the two of you to convey a lot of information to each other very rapidly. Kimberly Noel Kardashian spurs Kanye Omari West to develop new, creative ideas and you both enjoy the fresh, innovative ideas that come to you when you start brainstorming together.

Kanye Omari West's Uranus in Kimberly Noel Kardashian's 11th house:

Together you become active participants in community, social action, and progressive ideas. Kanye Omari West encourages Kimberly Noel Kardashian to become involved in social and political issues, and you encourage each other to look beyond your personal lives and take an interest in issues of broader scope that affect your community, country, or the world as a whole.

Kimberly Noel Kardashian's Neptune in Kanye Omari West's 4th house:

There is a good deal of fantasy, imagination, and playfulness in your relationship. Kimberly Noel Kardashian, in particular, sparks Kanye Omari West's imagination and intuition. One way this quality is likely to express itself is in the style of your home, which is likely to be decorated and arranged in a very imaginative way.

Kanye Omari West's Neptune in Kimberly Noel Kardashian's 1st house:

Kanye Omari West brings out Kimberly Noel Kardashian's more idealistic, imaginative, intuitive, or "spacey" side. Kanye Omari West enjoys sharing ideals and fantasies with Kimberly Noel Kardashian, even if these dreams seem childish or unrealistic. Kanye Omari West may also tend to exaggerate a bit with Kimberly Noel Kardashian and needs to try to be as honest as possible with Kimberly Noel Kardashian.

Kimberly Noel Kardashian's Pluto in Kanye Omari West's 2nd house:

If your relationship is a long-term one, you will find that situations will develop where Kimberly Noel Kardashian is called on to provide considerable assistance to Kanye Omari West. This assistance is of a tangible kind, perhaps financial assistance or providing tools or resources that are important to Kanye Omari West. The transaction, however, may not be smooth and many complex issues are likely to surround it. Arrangements may not always seem fair but both of you need to accept situations that cannot be altered.

Kanye Omari West's Pluto in Kimberly Noel Kardashian's 10th house:

If this is a long-term relationship, Kanye Omari West will have a critical effect on Kimberly Noel Kardashian's career and ambitions. Circumstances arise that enable Kanye Omari West to play a key role in helping steer Kimberly Noel Kardashian's career along new lines, and to levels of greater stature and influence. Kanye Omari West can help Kimberly Noel Kardashian gain a whole new outlook on career opportunities and the best way to utilize personal talents, but this process is a complex and tricky one. The final outcome could be very successful or a failure, depending on how both of you handle the situation.

Kimberly Noel Kardashian's Sun Opposition Kanye Omari West's Venus:

Sparks fly when you come into contact with one another! Strong feelings of love, attraction, warmth, mutual admiration, and appreciation bring you together, and you are able to express your love feelings openly and fully to one another. You can be great friends and companions as well as lovers.

Kimberly Noel Kardashian's Sun Opposition Kanye Omari West's Mars:

The physical and sexual attraction between the two of you is very strong. You are attracted to one another's strength and integrity. You may also enjoy competing with each other in games. However, be wary of a tendency to become rivals or adversaries, trying to out-perform each other.

Kanye Omari West's Sun Trine Kimberly Noel Kardashian's Pluto:

Kimberly Noel Kardashian helps Kanye Omari West achieve personal goals, activate Kanye Omari West's latent talents and strengths, and encourages and promotes Kanye Omari West's creative work and endeavors. You can be a very successful duo. However, Kimberly Noel Kardashian can be more driving and ambitious for Kanye Omari West than Kanye Omari West is, like the "stage mother" who pushes her child to shine and to excel even when it is not the child's own aspiration. Kimberly Noel Kardashian can have a profound influence on Kanye Omari West, most likely for the good, but possibly not. Subtle manipulation and domination on Kimberly

Noel Kardashian's part should be avoided.

Kimberly Noel Kardashian's Asc. Opposition Kanye Omari West's Sun:

Kanye Omari West embodies many of the characteristics that Kimberly Noel Kardashian is seeking in a mate or partner, and Kimberly Noel Kardashian finds Kanye Omari West irresistibly appealing for this reason. Kanye Omari West is also the polar opposite of Kimberly Noel Kardashian in many ways, so that you complement or balance one another very well. However, the very qualities that originally were so attractive may become sources of friction between you. Kimberly Noel Kardashian, don't expect Kanye Omari West to be like you are! One of the gifts Kanye Omari West has for you is to show you "the other side of the coin". For instance, if you are very logical and rational, your partner may have a highly intuitive or poetic mind (or vice versa). Instead of accusing your partner of being irrational or fuzzy-minded, try to appreciate that difference between you.

Kimberly Noel Kardashian's Asc. Square Kanye Omari West's Moon:

Irritations over relatively minor incidents and situations, combined with a tendency to have differing tastes, preferences, and interests may make an intimate, long-lasting relationship difficult. You do care a great deal for each other, though, and both of you feel exceedingly bad after a quarrel. If you can be tolerant of each other's differing attitudes, interests, and lifestyles, the negative tendencies of this astrological influence will be minimized.

Kanye Omari West's Asc. Square Kimberly Noel Kardashian's Uranus:

To Kanye Omari West, Kimberly Noel Kardashian seems highly unusual and fascinating, or unstable and disruptive, perhaps both.

Kimberly Noel Kardashian makes Kanye Omari West feel nervous and unsettled, but this may also be quite stimulating. Both of you challenge one another to change your plans, habits, or attitudes, and a great deal of flexibility, willingness to change, and openness is necessary on both of your parts.

Kimberly Noel Kardashian's Asc. Sextile Kanye Omari West's Pluto:

Kanye Omari West brings to the light something hidden or beneath the surface in Kimberly Noel Kardashian's life. Suppressed feelings or ambitions, strengths as well as flaws, come out as a result of your relationship. You are unable to hide much from one another.

Kimberly Noel Kardashian's Moon Sextile Kanye Omari West's Mercury:

Long, friendly conversations are frequent in your relationship. You are able to openly share your inner feelings and concerns, and very often you may feel that there are very few other people that understand and appreciate you as well; this is true even in the early stages of your relationship. The deep level of mutual understanding and appreciation inclines your friendship to be a long, harmonious one.

Kimberly Noel Kardashian's Venus Square Kanye Omari West's Jupiter:

You enjoy laughing, having fun, socializing, and going out together. You are great pals, but the relationship may not be serious enough to warrant a lasting commitment to each other. Consequently you both may decide to not marry even though you may love each other very much. If you do marry, you will allow each other a great deal of freedom, but you are likely to disagree on how to handle finances, budgeting, and investments.

Kimberly Noel Kardashian's Venus Square Kanye Omari West's Neptune:

Your love for each other has a very dreamy, idealistic, and romantic quality. You are infatuated with each other, sometimes almost hypnotized by each other. You tend to have glamorous and idealistic notions of each other that are far removed from reality. This relationship is prone to major disappointments when you each discover that your partner is not as perfect as imagined. Disillusionment and disappointment are likely, but you can mitigate this tendency if you allow yourself to enjoy the dreamy romanticism without projecting your wildest fantasies onto your partner, believing you have found the companion of your dreams.
